

Nurse Aide I

Registered Nurses and Licensed Practical Nurses

- Licensed nurses may be listed on the Nurse Aide I Registry with no additional training or testing.
- Licensed nurses with a current, unrestricted license to practice in North Carolina may submit the RN/LPN application for review and approval.
- Licensed nurses with a restricted license should contact the Registry Office for more information.
- Licensed nurses with an unrestricted license but are not registered to practice in North Carolina may submit the training waiver application.
